Luxury Vinyl Flooring / Wholesale Pricing

ABOUT US

Pamplona Supply Co is a Houston-based supplier specialized in high-quality luxury vinyl plank (LVP) flooring for contractors, builders, and real estate professionals. We focus exclusively on LVP, allowing us to offer a streamlined product lineup, consistent inventory, and competitive wholesale pricing across a range of thickness, wear layers, and color options.

Through direct sourcing and an efficient distribution model, we provide reliable access to proven flooring products used across residential and commercial projects. From value-driven options to premium collections, our goal is simple:

deliver dependable materials, transparent pricing, and a straightforward buying experience that helps our partners complete projects on time and on budget.
